GAMEPLAY-FACILITATING TRAINER FOR HITMAN: ABSOLUTION. Hitman: Absolution PC game is an upcoming first-person stealth video game being developed by IO Interactive and will be published by Square Enix on 28 October 2015 for Microsoft Windows, PlayStation 4 and Xbox One. The game will be released on its first day of the Gamescom on 27 August 2015. Hitman Absolution game is set during a professional contract killing assignment called the "Hitman mission" and will feature a new, improved game engine. Unlike previous Hitman games, Absolution will be set during daylight hours and in an open world environment with no confined areas or rooms to hide in. The game will feature the first return of the "straight male assassin" character, and change from a first-person shooter to a stealth-based gameplay. Other features include new weapons, tools, and gameplay systems. The game will contain multiple endings and multiple playable characters. Hitman Absolution, returning to the franchise after nine years, will be released first on Microsoft Windows, PlayStation 4 and Xbox One on September 28, 2015, with a beta test beginning on August 27, 2015. The iOS version will be released on September 30,

2015. The game's publisher Square Enix began its financial earnings statement for its 2015 fiscal year on April 2, 2015, and its last financial report was for 2013. While the sequel was in development, Square Enix stated that the release date of the console versions would "be no later than September 2015." During the Gamescom 2015 event, Square Enix released a teaser trailer for the game to the public. A more extensive video was also released by the company on its company website. The plot of the game was showcased during E3 2015, while the gameplay was showcased during the Ubisoft E3 press conference on the same year. Additional information on the game was released during Gamescom 2015 and during E3 2015. History The game is a spin-off to the stealth action-adventure video game series Hitman and was developed by IO Interactive and published by Square Enix. While the game was announced during the 2012 Electronic Entertainment Expo, the developers and publishers initially planned to release the game for consoles in late 2012. Square Enix cancelled the release of the game for the 2012 fiscal year; it was published on September 28, 2015, as Hitman: Absolution. In the same announcement, it was stated that the iOS version would be published on September 30, 2015. The game will not have
