
Euro Truck Simulator 2, or ETS2 for short, is a great driving simulation game from SCS Software. The game is a sequel to the popular "Euro ... Euro Truck Simulator 2 is a beautiful driving simulator game from SCS Software company. The game is a sequel to the popular "Euro Truck Simulator" and offers the player to feel himself as a truck driver. There is no auto-driving in ETS2; the driver drives the car in the cab. The main task is to transport cargo. The player himself decides where and which route to take. In the game there is a large number of cargo, as well as a huge number of cars. fffad4f19a
